EXPERIENCE

GIRLS WHO CODE @ PFIZER | Teaching Assistant

JUNE 2017 - AUGUST 2017

Worked with on a teaching team of 6 to equip 40 high school girls with skills in various computer science topics (Scratch, Python, Arduino C, algorithms and web development), and to foster sisterhood within the class.

BETTER SEX TALK | Graphic Designer + Webmaster

FEBRUARY 2015 - MAY 2017

Produced the visual content for a college campus photo campaign centered around raising awareness for issues re: sexual assault and the shortcomings of modern sex education. Together, the photographer, founders, and I developed the visual brand and messaging into an international, viral campaign.

COURANT INSTITUTE | Python Tutor

SEPTEMBER 2015 - MAY 2016

Served hundreds of students in NYU's "Introduction to Computer Programming" course, offering tutoring during class sections three times a week, as well as after class hours in lab tutoring sessions.

NYU ADMISSIONS | Admissions Ambassador

JANUARY 2015 - MAY 2017

Represented the public face of the university by conducting personalized campus tours to groups of 30, working the admissions office hotline, and participating in university-wide admissions events speaking to audiences of 400+ students and their families.

COLLEGE OF ARTS AND SCIENCE | College Captain

MAY 2016 - MAY 2017

Collaborated with various teams of college administrators, advisors, and upperclassmen student leaders to promote and execute the values of the CAS College Cohort Program, to engage 1500 first-year CAS students with the college, the university, and New York. I worked to update cohort curriculum with new content and visual guidelines, and freshened the program's voice on Facebook.

COLLEGE OF ARTS AND SCIENCE | College Leader

AUGUST 2015 - MAY 2016

Equipped 34 first-year CAS students with a strong home-base community at NYU by facilitating bi-weekly cohort meetings on topics such as academic challenges, campus resources, and cross-cultural communication. I also worked to promote university initiatives and hosted programs around diversity and inclusion, health and wellness, academic inquiry, service, and college life.

EDUCATION

NEW YORK UNIVERSITY

COLLEGE OF ARTS AND SCIENCE

Bachelor of Arts in Computer Science, 2018
Minors in Mathematics,
and Digital Art + Design

GPA: 3.68 / 4.00

Honors: Dean's Scholar,
2016 President's Service Award

SKILLS

LANGUAGES
